

Four-Month Reservation Option

GVR members have the option of making a room reservation for four months at a time. This works great for small groups that are looking for a room to play cards, exercise, or socialize on a regular basis. Four-Month Reservations can be renewed every four months. There is no guarantee that you will have the same day or room every time.

To make a four-month reservation: contact Jody Crawford in reservations at (520) 625-3440 x7202 or email jody@gvrec.org and discuss the times and dates you are interested in. If you want to reserve dates in January through April, request these months starting in October. For dates in May through August, request these months starting in February. For dates in September through December, request these months starting in June. All groups will designate one person on the contract who can be the contact, they will need to read and sign the GVR Facility Reservation Agreement Terms & Conditions.
